ValuePest.com awards Orlando franchise

Charlotte, NC (September 1, 2005) Andy Restrepo, Curt Chandler and Angel Baltar, Jr, have been awarded the Orlando, FL ValuePest.com franchise. “With gas and other consumable goods prices going through the roof, we look forward to helping Orlando homeowners save some big money with our flat-fee termite and pest prevention system,” says Angel Baltar.

According to ValuePest.com’s President Bob Jones, “Andy and Curt have already shown great leadership with their franchise in the Tampa – St. Petersburg area, their area is growing like wildfire and I know with the addition of Angel to their team, Orlando will explode. This is another great leap towards our goal of becoming America’s largest residential pest prevention company.”
